Frequently Asked Questions.

Q: Can I log in if I have never supplied previously?

A: No. The process to create your account requires you to have a remittance number and we also need your email address stored in our system before you can attempt to log in. Once you have supplied livestock you will receive a remittance in the post.

Q: Can I log in if I am not the person being paid and supply via an Agent?

A: No. Only the person being paid directly by Dawn Meats will be able to log on via the portal.

Q: Where do I get my remittance number from?

A: After bringing cattle in you will receive a remittance in the post. The Remittance number can be found in the top left hand corner and is unique for each remittance generated.

Q: Can I use a different email address rather than the one on my remittance?

A: No. The email address must be the same as what we have stored against your account. This is to prove that it is you accessing your data. If you require your email address to be changed, please contact your local livestock representative who can pass on the request and help get this changed.

Q: For the password, what is a special character?

A: A special character is anything other than a letter or number. For example, you could use any of the following: !"#\$%^&*?/@#

Q: What is my username?

A: It will be emailed to you after activating your account. It will be a 5 letter and 3 number sequence. E.g. ABCDE001

Q: Can I reset my password if I forget it?

A: Yes. There is a reset password button on the log in screen, press this and enter your email address and a new temporary password will be sent to you.
